- ▶ Saves money on costly electrical system upgrades by reducing the number of electrical receptacles required
- ▶ Reduces wiring clutter by enabling simple power cable routing of up to 10 or 22 components
- ▶ Eliminates current build up associated with daisy-chaining power through components, improving reliability
- ▶ 15A Circuit breaker and/or 400V surge suppression protects equipment from harmful spikes and overload
- ▶ Illuminated On/Off switch provides quick identification of power status
- ▶ Sturdy metal housing mounts easily to equipment racks, production carts, raceways and workbenches
- ▶ Long electrical cords simplify installation
- ▶ UL compliant UR approved

## Rack Mount Power Distribution Strips

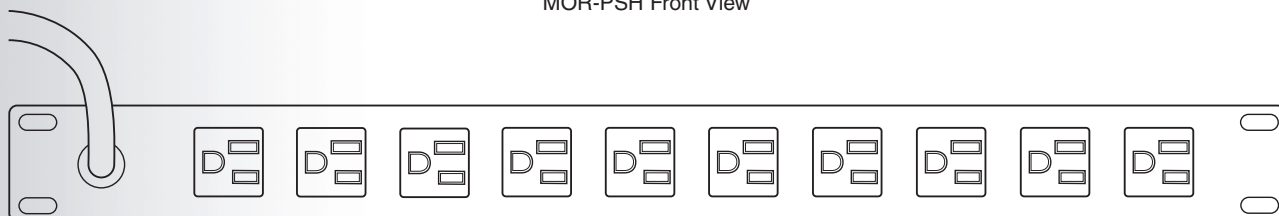

The Pico Macom MOR-PS series rack mount power distribution strips are heavy-duty commercial grade multi-outlet power strips that enable installation of up to 10 or 22 110V powered units into a single power receptacle. The fully enclosed metal housing provides safe distribution of power to components while reducing the clutter and complications of multiple power sources. The MOR-PS series provides a single source for electrical current, reducing ground loops and the modulation of 60-cycle hum in electronic components. The MOR-PSH provides total circuit protection of 15A 125V provided through the reset-able circuit breaker. The MOR-PSV is enhanced with the addition of a voltage clamped surge protection of 400V. The provided mounting hardware allows these units to easily mount to equipment racks, production carts, raceways and workbenches, making them essential in any properly built headend system.

### MOR-PSH 10 Outlet Power Strip

<b>Number of Outlets:</b>	10	<b>Plug Type:</b>	Nema 5-15P
<b>Electrical Rating:</b>	120V / 15A	<b>Color:</b>	Black
<b>Current Protection:</b>	15A 125V	<b>Dimensions:</b>	19"(L) x 4"(D) x 1 3/4"(H)
<b>Cord Length:</b>	6 ft.	<b>Approvals:</b>	UL 1363 UR
<b>Receptacle Type:</b>	Nema 5-15R		

### MOR-PSV 22 Outlet Power Strip

<b>Number of Outlets:</b>	22	<b>Receptacle Type:</b>	Nema 5-15R
<b>Electrical Rating:</b>	120V / 15A	<b>Plug Type:</b>	Nema 5-15P
<b>Current Protection:</b>	15A 125V	<b>Color:</b>	Black
<b>Surge Protection:</b>	400V clamped	<b>Dimensions:</b>	60"(L) x 1 1/2"(D) x 1 3/8"(H)
<b>Cord Length:</b>	10 ft.	<b>Approvals:</b>	UL Approved
